## Découvrez une région française !

The Association of Teachers of French in Malta is pleased to announce a competition for all Secondary School students studying French in Malta & Gozo:

### Découvrez une région française!

This competition offers students an enriching experience and encourages them to carry out research related to their French Culture Syllabus.

Students are encouraged to choose **ONE** French region, promote its cultural and artistic aspect and present their work to the Association in **one** of the following categories:

1. **Posters, paintings, drawings** etc;
2. **Power Point presentations, photo stories** and other artefacts presented on a CD;
3. **Videos, recordings** etc.

*The duration should be of not more than 5 minutes.*

Participating schools are invited to complete the attached application form by **Friday 16<sup>th</sup> November 2012** and present their students' work by **Friday 14<sup>th</sup> December 2012** at the French Resource Centre, Junior College Complex in Msida. *No application form will be accepted without the signature of the teacher in charge and that of the Head of School with the school rubber stamp.* Students' work is to be labelled as follows:

**Name and Surname of Student;  
Form; and  
School.**

Prizes will be awarded to **three** winners in each category. They will be in the form of resources to be used in the respective winning schools for the teaching of French as a foreign language. Each student will be awarded a certificate of participation and winning students will also be awarded a French reader.

The **criteria** for judgement will be the following:

1. Presentation;
2. Correct use of the French language;
3. Effort
4. Use of authentic documentation;
5. Originality and creativity.

Schools wishing to participate are kindly asked to fill in the attached form and send it by post by Friday 16<sup>th</sup> November 2012, to:
